DETAILED ACTION

Notice to Applicant

1. This communication is in response to the Amendment filed on 9/06/06. Claims 1, 9, 18 and 19 have been amended. Claims 4, 8, 10-13 and 16-17 have been cancelled. Claims 1-3, 5-7, 9, 14-15 and 18-9 are pending.

Allowable Subject Matter

2. Claims 1-3, 5-7, 9, 14-15, and 18-19, renumbered as 1-11 are allowed. The following is an Examiner's statement of reasons for allowance.

Claim 1 is directed to a processing unit identifying inventory information of stores having an address which is in proximity to an address designated by the customer, and transmitting, to the client device in response to the request for product information, the identified product inventory information on an individual-store basis corresponding to the respective stores selected on the basis of customer identification information received from the respective client device, wherein each store's proximity to the designated address is determined by the processing unit by a first checking for an exact zip code match between the respective stores and the designated address, a second checking for a match of the first n digits of the designated address zip code and the respective stores if there was not an exact zip code match, and a third checking for stores having a zip code within a range of the first n digits of the designated address zip code if there was not the exact zip code match and the first n digits of the zip codes did not match.

Art Unit: 3627

The closest prior art of record, Shaffer et al (6,748,426) discloses system and method for linking information in global computer network.

Burton discloses methods and apparatus for on-line ordering.

ServiceMerchandise.com discloses the concept of providing online customer with the ability to see whether an item is in stock at local stores and reserve the item for pickup.

However, none of the cited prior art discloses nor fairly/suggest a second checking for a match of the first n digits of the designated address zip code and the respective stores if there was not an exact zip code match, and a third checking for stores having a zip code within a range of the first n digits of the designated address zip code if there was not the exact zip code match and the first n digits of the zip codes did not match.

A search has been conducted for a foreign prior art, however, none has been found.

3. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and , to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement for Reasons for Allowance".
